

Dear Church Treasurers

Easter Offering

I should like to confirm the arrangements for the collection and forwarding of the Easter Offering are as follows:-

- Each Church should collect and retain the Gift Aid envelopes and deposit both cash, and cheques made payable to the Church, into their Church bank account.
- Gift Aid should be claimed on those donations if the donor is recognised by the Gift Aid Secretary as a Gift Aider. If the donor is not known as such Gift Aid can only be claimed within the rules and regulations of the Gift Aid Small Donations Scheme.
- The Church Treasurer should send one cheque from the Church account for the total donations plus Gift Aid, where applicable, to The Methodist Church World Mission Fund whose address is Methodist Church House, 25 Marylebone Road, London NW1 5JR. together with a note identifying it as "Easter Offerings". Alternatively payments may be made online to the account number shown below.
- Cheque donations in the name of The Methodist Church World Mission Fund should be sent to the same address together with the related Gift Aid envelopes ensuring that the Circuit and District number "24/03" appears on each envelope.
